1 INTRODUCTION

Richmond Christian College (RCC) exists to partner with parents and guardians in the education of students from Pre Kindy to Year 12, following NESA curriculum requirements, in a Christian community where Jesus Christ and His teachings are allowed to shape our attitudes and actions.

The School's aims and objectives are found on the school website along with additional information about the School. Enrolment enquiries are invited from all families that support the aims of the School and who want an effective Christian education for their children.

Our selection criteria are established to reflect the ethos of the School. We seek to enrol those children we judge to most benefit from the academic programme we offer; who demonstrate a willingness to participate in the full range of activities on offer; and whose families understand and are supportive of the Christian aims and objectives of the School.

We will assess all applications to enrol against these criteria.

This enrolment policy and its processes are designed to assist the School, and families, to determine the optimal educational experience for potential students; and to assist them achieve their goals in an environment that supports their unique development.

2 CHRISTIAN RATIONALE

God gives the care and raising of children to parents, within the support of the community. *Start children off on the way they should go, and even when they are old they will not turn from it.* (Proverbs 22:6, NIV)

Parents' choice of Christian education for their children honours the State and Federal government education authorities for standards in education, and provides a Christian worldview that recognises the sovereignty of Christ. God's word to parents is that children should be well-trained in the commandments He gives. *Impress (these commandments) on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up.* (Deuteronomy 6:7)

The development of Christian worldview in education is RCC's mandate to partner with parents in the formation of young men and women of Christian character who will be effective leaders in their community. The decision of parents to enrol their children in the School is to assist them to fulfil their duty in raising children who will love God and love their neighbours through applying themselves to make the most of their schooling experience.

8 ENROLMENT AT RICHMOND CHRISTIAN COLLEGE

The enrolment process is a contractual negotiation and is deemed to commence at the stage of any inquiry, formal or informal.

8.1 Enrolment Enquiries

All enrolment enquiries are to be directed to the School Office staff or Principal.

8.2 Enrolment into Pre-Kindy, Kindergarten and Year 7

Enrolment applications will be received for these year levels in the year preceding enrolment. All interviews for applications received will be conducted in a block in Term 2. At the conclusion of all the interviews letters of offer will be sent to the accepted enrolments and any unsuccessful applicants notified. Applications received after Term 2 will be assessed on an individual basis according to vacancies and the enrolment criteria.

8.3 Enrolment Criteria

Enrolment decisions are guided by the following criteria:

- (a) Commencement at the school
 - (i) Into Pre-Kindy - Children enrolled into Pre-Kindy are recommended to have turned 5 in the year prior to enrolment in Kindergarten. Consideration, relevant to school readiness behaviours, in particular social skills, is given to students who have turned 4 by 31 March in the year prior to enrolment in Kindergarten. This does not guarantee enrolment into Kindergarten.
 - (ii) Into Kindergarten - A child entering Kindergarten is recommended to be turning 6 years old within the year of commencement into Kindergarten. Consideration, relevant to school readiness behaviours, in particular social skills, is given to students who have turned 5 by 31 March in the year of commencement.
 - (iii) Into Other Years – in line with commencement age of kindergarten and according to other enrolment criteria of the school
 - (iv) The Principal, or their delegate, will make enquiries from the child's previous school.
- (b) School readiness, relevant to the age of the student, including:
 - Social maturity
 - Ability and attitude to learning
 - Emotional stability
 - Co-ordination skills (particularly children into Kindergarten)
- (c) Other factors

All enrolment decisions will be at the discretion of the Principal with referral to the Board when necessary. The following criteria will be taken into account when considering applications for enrolment.

- (i) Family agreement to uphold RCC's Biblical ethos and constitution

- (ii) The provision of a sound Christian education primarily for the children of Christian parents
 - (iii) The impact of the enrolment on the welfare of each student, class and the whole school community. Including consideration of:
 - Relevant social, emotional and mental health records
 - Satisfactory previous school behaviour and record
 - Satisfactory previous school reports
 - (iv) Stewardship of available resources to ensure the viability of the whole school community
 - (v) The ability of the School to provide optimal learning environment for the child's educational, social, physical and emotional needs. Including consideration of:
 - Class size/s affecting all students seeking enrolment
 - The current level of need of individual students in the class
 - (vi) Maintenance of a predominantly Christian community. Including consideration of:
 - The College Board's vision for majority Christian families in each class
 - Parents commitment to the aims of the School
 - (vii) Consideration of existing laws and regulations
 - (viii) Enrolments into Stage 6 must have confirmation certification with regard to students having completed the NESA requirements for the award of a RoSA
 - (ix) Where there are no vacancies in a year level, a list of approved enrolment applications will be maintained and positions offered according to the enrolment priorities as vacancies become available.
- (d) Enrolment Priorities
- In the event that enrolments need to be prioritised, and applications comply with all other enrolment criteria, preference will generally be given in the following order:
1. Siblings of existing students
 2. Children of staff
 3. Children transferring from other Christian schools
 4. Children applying from church families
 5. Children enrolling from non-Christian schooling
- at the discretion of the Principal with referral to the Board where necessary.
- (e) Class Sizes

It is the Board's desire to maintain low class numbers. In special circumstances approved by the Board following consultation with the Principal and Executive class sizes may be varied. The maximum size of a class may also need to be reduced because of physical room restrictions and learning needs of students in the classroom.

(f) Minimum Christian Percentage

The Board will seek to maintain a minimum 60% of all enrolments from Christian families. These are families who satisfy the requirements for membership of the Association.

(g) School's Ability to Meet the Needs of the Student

A key consideration for enrolment is the capacity of the school to cater for the specific needs of the individual student, both in the short and long term. As a Christian community we have a responsibility to seek to provide each student with the opportunity to develop to their God given potential. The school will endeavour to make reasonable adjustments to learning where required to maximise learning for all students.

8.4 Conditions of Enrolment

(i) Students enrolling in RCC are asked to provide:

Standards Part 4 - enrolment in an educational institution and participation in the courses or programs, and use of services and facilities, provided by an educational institution

Standards Parts 5 & 6 - participation in educational courses or programs that are designed to develop their skills, knowledge and understanding, including relevant supplementary programs

Standards Part 7 - accessing student support services provided by educational authorities and institutions, including access to specialised services needed for them to participate in the educational activities for which they are enrolled

The following terms are important:

- On the same basis - a student with disability must have opportunities and choices, which are comparable with those offered to students without disability. This applies to: enrolment; participation in courses or programs; and use of facilities and services.
- Consultation – with student and parent about effect of disability in relation to courses and teaching, and any reasonable adjustments necessary to help the student access and participate in education and training.
- Reasonable adjustment - education providers have an obligation to make reasonable adjustments to accommodate the needs of a student with disability; and to consider the interests of all parties affected, including the student with disability, the education provider, staff and other students.
- Unjustified hardship - the Standards do not require changes to be made if this would impose unjustifiable hardship on the education provider. All relevant circumstances are to be taken into account when assessing unjustifiable hardship including: benefit or detriment to any persons concerned; disability of the person; financial circumstances of the education provider.

However, the exception of unjustifiable hardship does not apply to harassment or victimisation.

IMPORTANT:

The first inquiry (formal or informal) made by a parent is deemed to be the commencement of the enrolment process.

(B) Commonwealth 'Family Law Act 1975' and any amendments

1. 'Parental responsibility' (Family Law Amendment Act 1995) means that both parents are responsible for care, welfare and development of their children

(E) Australian Consumer Law 2011

Competition and Consumer Act 2010

The Act includes provisions dealing with corporations misrepresenting themselves in some way.

Misleading Advertising – conduct relating to acts, omissions or silence that could lead a person to form an erroneous conclusion (likely to mislead or deceive a consumer). Schools cannot make misleading claims about the subjects or programs that are offered, the nature of facilities, or the capacity of the School to cater for children with special needs.

A claim of misleading information may be based on: material viewed on a website; online content such as advertising; written materials; business conduct; information on the Internet about the business, products or services; claims made by staff members, etc.

A court decision regarding an 'erroneous conclusion' will take into account a cross-section of the public who may come into contact with the information, and why the person reached the erroneous conclusion.

(F) Contract Law

1. There are two contracts involving the School in the enrolment process:
 - **Pre-Enrolment Contract:** the School offers to consider the student for enrolment; the parents accept this offer by completing and lodging the Enrolment Application Form.

This contract ends when the application is rejected, or a place is offered.
 - **Enrolment Contract:** the School offers the student a place at the School; the parents accept the offer by signing the Enrolment contract.

This contract ends when the student leaves the School at the end of the School programme, or the contract is terminated by the student's being withdrawn, or the terms and conditions of the agreement are breached.
