

Richmond Christian College (RCC) has three Deductible Gift Recipient (DGR) Funds established to receive tax deductible donations that afford our community the opportunity to contribute financially to the development of the College.

Organisations that are endorsed as a DGR can receive donations that are tax deductible. If a donation is tax deductible, donors can deduct the amount of their donation from their taxable income when they lodge their tax return. Eligible donations over \$2.00 made before 30 June each year are tax deductible and can be claimed as a deduction when submitting tax returns for that financial year.

The College's two DGR Funds are:

Building Fund

Funds are allocated solely to support building works at the College, including the acquisition, construction and refurbishment of College buildings.

Donations can be made by electronic funds transfer to the following bank account.
